I hereby agree that my name, tests written by me for the production as well as photographs and recordings of me may be published on BUSC's online platforms including social media free of charge and may be shared with third parties free of charge for the purpose of promoting the production.

Important notes:

Taking part in a BUSC production as an actor may mean a significant time commitment: There will likely be 1-4 rehearsals per week depending on the size of the role. For insurance reasons, everyone who participates in the production needs to become an active member of the BUSC which is done by paying a membership fee of 20€ (10€ for the second half of the year).

Actors need to participate in the rehearsal weekend (November 1st to 3rd) as well as the run-throughs, happening on three separate Sundays leading up to the production. Actors and actresses are also required to participate in promoting the play during Dies Academicus (December 4th), Plakataktion (probably November 17th), and distributing flyers (in the week before the production).

We will construct the stage on December 10th, have a dress rehearsal on December 11th and perform on December 12th to 18th with exception of Sunday, December 15th.
